Our goal is to provide your child with a clean, safe, comfortable environment where they can play and learn with guidance and loving care. In order to make our relationship as enjoyable as possible the following are some mutual beneficial requirements that are necessary to assure that there are no misunderstandings between either party, that each party is aware of the requirements, and that these requirements are carried out in a businesslike manner. The policies listed below are set forth by the Director and are in accordance with the Child Care regulations. These policies and accompanying contracts become effective upon acceptance by the parent/guardian and the Director.

Business Hours/Overtime

Services are provided Weekdays 7:00 am – 6:00 pm Learning Center hours, during your contracted hours that payment is provided for- **anything over that is considered overtime and additional fees will be charged to your account.** Your hours plus fair commute time will become your "scheduled hours." Any changes to your schedule must be discussed and re-scheduled based on the ability of the center to meet your new needs. **If you arrive late without notification you run the risk of your child not being accepted after 9am.** It will then be the parent's responsibility to find and finance an alternate for their child for the day. Late arrival does not allow late pick-up beyond scheduled time unless discussed prior.

Release of Children

In order to prevent inappropriate release of a child to an unauthorized person procedures and safeguards are followed to ensure the safety of your child, only you or your designate(s) may pick up your child. Phoning in advance to let staff know someone other than you will be picking up your child is allowable as long as they are listed on the authorized pick up sheet Anyone picking up the child will be asked to provide photographic identification if the staff is not familiar with the individual; this may include parents, so please come prepared with identification. We reserve the right to release your child at our discretion with your knowledge of course. Staff are instructed to not release a child to the care of an adult whom they may feel, there's a safety issue; the director must also be notified to make the final decision. Verification of legal custody: A copy of the court order recognizing the parent who has legal custody of the child, as well as visitation schedules will be requested for the child's file. Otherwise I have no choice except to release the child to his/her parent. ** If a Parent/Guardian appears to be intoxicated or otherwise incapable of taking the child home safely or- if a non-custodial parent attempts to claim the child without the consent of the custodial parent, if an altercation verbal, physical any type of opposition to adhering to this policy the local police department will be contacted immediately. **

Magnanimous Kids Provisional Employment Notification

SC Statute 63-13-40 A., B., D., E., F.

A person may be provisionally employed or may provisionally provide caregiver services after the favorable completion of the State Law Enforcement Division name and date of birth-based background check until such time as the SLED and Federal Bureau of Investigation fingerprint-based background checks, and the Central Registry check are completed if the person executes a sworn statement on a form provided by the department that he or she has not been convicted of any crime enumerated in this section and that he or she is not on the Central Registry for having perpetrated abuse or neglect upon a child. A person provisionally employed must be directly supervised by a non-provisionally employed person at all times when providing direct care to children. A notice/statement will be posted/provided to parents indicating a staff is provisionally employed.

Arrival and Departures

Children are to arrive clean and fed (unless arriving before a meal time). I prefer that there are no pick-ups or drop-offs during the designated daily quiet time.

- If your child will not be showing up, or arriving late, I would appreciate a phone call no later than 9:00 am. This is to be sure we don't miss each other. Full charges would still apply for absent days, late days, and half days.
- Early arrivals/drop offs and late departures/pickups are and will be subjected to a \$20.00 fee billed in 10 minute increments that will begin the minute before/after childcare scheduled business hours. ****Absolutely no exceptions will be made. ****

The Center is required to maintain daily attendance records. Our Center uses a time clock program that lets parents, and pickup persons sign in and out by using the child's designated id number (5 digits, 1+last four of social security number) this is assigned during the registration process. These 'Sign-In & Sign-Out Attendance Sheets' are extremely important to ensure that all children are present and safe throughout the day and during evacuation drills as well.

- **Tracking children Indoor/Outdoor of Center**

- Parents are required to sign children in and out daily.

We also track the children's' movements daily throughout the facility. Children are signed in/out of class logs, movements to different classrooms or areas throughout the center up to and including playground area are monitored and tracked until departing for home. Verification method practiced to maintain accurate attendance in our classrooms, is to do a NAME to FACE check followed by a paper and physical body count before transitioning from one location to the next.

Termination

The first two weeks of childcare are to be an adjustment period. It is our responsibility to let the parent know if the child seems unhappy or the arrangement is unsatisfactory for any other reason. Covid-19 Policy Update:

Ensuring the health, safety and well-being of our children, families and team members remains our highest priority. We have strengthened our health and safety practices based on current guidance and recommendations from the Centers for Disease Control (CDC), state and local officials and departments of health to ensure we maintain a safe and healthy environment.

- Make a visual inspection of the child for signs of illness which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness.
- This Center is choosing to require any return of a child absent from the facility at the minimum of 1 week be required to test for Covid-19. This decision would be to ensure the health and safety of both the Center's children and employees. This to include, vacation, visits in or out of state and any other possible exposure or symptoms of the virus prior to facility entrance.

Childcare Screening Arrivals & throughout the day!

- Persons who have a fever of 100.4⁰ (38.0⁰C) or above or other signs of illness should not be admitted to the facility.

Damages

It is expected that your child be respectful of the Center's property and furnishings. Certain amount of —wear and tear is expected and normal, but if your child intentionally damages property through destructive behavior or roughness, you will be required to replace any object or its value.

Exposure Control Plan

This facility is committed to providing a safe and healthful learning and work environment for our children and staff. In pursuing this endeavor, Magnanimous Kids EXPLORATORY Learning Center is providing a Blood borne pathogen Exposure Control Plan (ECP) that meets the requirements of Occupational Health and Safety Organization (OSHA)'s Blood borne Pathogen Standard and South Carolina State Department of Health's Universal Precautions regulation, and the South Carolina Department of Social Services Child Care regulations. A copy of this plan will be posted in a conspicuous area in the center and will be identified by the Operations Director.

Behavioral Goals

While in care only positive encouragement is enforced. Children will NOT be subject to spanking, hitting, kicking, restraint, or to, verbal, emotional, or physical punishment. We believe the most effective ways of enforcing positive behaviors are Praise, Respect, Re-Direction, and Positive Re-Enforcement. We enjoy talking with kids, we enjoy problem solving and listening to their feelings before making a judgment, and we believe if negative behavior is/was displayed discussing with children an alternative.

Our goal is to coach the children so they can negotiate compromise, brainstorm and work it out amongst themselves. Children are placed to sit in thinking mode (a.k.a. —the thinking chair), this gives them time based on their age to think about their actions and then we discuss it together. If they display a threat to the safety and well-being of themselves or others they will not be able to participate in a fun activity. If something of a more serious nature or a persistent behavior should occur that is of concern or a threat to the safety of others, parents will then be notified so we can jointly decide on a course of action that is followed at home and in the center. If the problem cannot be resolved dismissal will be recommended.
